

## PROBST ENZ pin extractor for blockpaving

**£53.00**

Simple but efficient tool to pull out string line pins used on construction sites.

Gone are the previous time consuming and often injuring methods of removing pins by hand or using pliers, a hammer or similar.

\* Suitable for all pin diameters between 10 mm and 30 mm.

\* Without using the ENZ, pins often get bent. Simply the straightening of 50 pins costs more than
